Officers who draw their salaries on separate bills on Fl. The Treasury Officers are requested to see that :—

(i) Establishment bills in which deductions on account of rents on Government Buildings appear are invariably accompanied by the statement prescribed in para 1 above and salary bills in which similar deductions are made are supported by the particulars mentioned in para 2 above before cashing them.

(ii) For cash credits in the Treasury Accounts on account of XIX Civil Works, 3 Rents of Buildings, a statement in the form prescribed in para 1 above should be prepared and forwarded to this office along with the monthly cash accounts, commencing from June 1919. Necessary particulars for preparing this statement should be required to be furnished by the payers of rents in the chellans with which they tender the amounts for credit to the Treasury.

The Superintendent, Government Printing, has been requested to print and supply the forms prescribed in para 1 above to all officers as per their requisitions. Till they are received, statements in manuscript forms should be prepared and attached to the bills for May 1919 to be presented for encashment at the Treasury in June 1919.
